## Once a Leader, Always a Leader

Student Leaders are the **heartbeat** of our institutions, but what happens after they graduate? In order to answer this question, we are reaching out to **Student Leader Alumni** and having them share their story in a new section called **“Lead On!”** Every month we will be highlighting a new professional who has continued their leadership skills in their given field and how their position had helped them become the person they are today. Interested in telling your story? Please contact us and you might be our next highlighted leader!

## Roompack Interview

Our first highlighted leader for ‘Lead On!’ is the Director of Curriculum, Training and Research at Roompack, **Dr. Paul Brown**. Not only was Paul gracious enough to be highlighted in our section, but he also partnered with Luminstruct to create an article called: **How to Develop An Online Resource for Residence Life Professionals: Luminstruct**. We are very grateful for Paul’s kindness, and look forward to working with him again in the future.

## New Resource Tab

In order to organize our tabs more efficiently, we have created a new “Resources Tab.” This tab will have a collection of different forms and other information which may be useful Student Affairs professionals. Feel free to browse through some of the amazing content!

## Coming Soon

In addition to the new “Lead On!” page entry, keep an eye out for other great additions to our site over the next month! Planned changes include some new program ideas, spotlighting some awesome work from our viewers, and increasing the amount of content we deliver to you! Stay tuned!
